November 2020

Dear Parents,

Thankfully last half term we did not have any confirmed positive cases of Covid-19 in the school. It is the view of Public Health that the evidence available to date shows that schools are proving to be safe spaces for children and for the staff.

The principal and BoM are not permitted to inform members of the school community of the identity of the person or persons who have tested positive for COVID-19.

We have had a very positive return to school so far; I believe that this will continue if we continue to work together. So please continue to support us by wearing a face covering when collecting/dropping off your child, keeping your child home if they are sick and collecting them if we call you.

As we enter the cold months your child may bring an extra layer eg a fleece in their school bag that they can wear over their jumper if they are feeling cool from the extra ventilation in classrooms
