Living Our Ethos

This month we celebrate the life of our Patron Saint - St. Bridget.

School Inspection

A curriculum evaluation of the teaching of Social, Personal and Health Education was conducted by the Inspectorate at St. Fiacc's NS last November.

The Report is published and is available to read on our school website. The Report commends the positive school climate at St Fiacc's and recognises the effective provision of teaching, learning and assessment of SPHE at our school.

Health & Safety

The following notices will be erected on school grounds to ensure pupil safety.

Please encourage your child to push bike/scooter while on school grounds. Recently parents have been bringing dogs onto our school grounds. We operate a strict no dog policy for reasons of child safety
