St Fiacc's Library Appeal 2022 - message from Mr Bolton

Our 2022 New Year's resolution is to get 2022 new books for our school library by June. Our library is currently in need of newer and more popular titles and authors. This ambitious plan will give all students the best learning experience possible and will cater for all reading ages and interests. While we will be purchasing some new books with school funds, we are also appealing to any family that may have outgrown books and would like to donate them to our library.

*If interested please ensure that books are in good condition and are modern in which children will be interested in reading.

Books can be brought into your class teacher or given to Mr Bolton or Sharon in the office. Thank you very much in advance for all your help and support. For further details or queries please contact me via email at- mrbolton@stfiaccs.com

There has been a lot of confusion about the symptoms parents need to be aware of. The public health authorities ask parents not to send their child to school if they are experiencing any of the following symptoms:

- Fever (38°+)
- New cough
- Shortness of breath
- Loss/change of smell/taste
- Fatigue
- Aches/pains
- Sore throat
- Headache
- Feeling sick
- Diarrhoea

Or with any of the above symptoms and a runny/stuffy nose.
