Anti-Bullying Policy

- 1. In accordance with the requirements of the Education (Welfare) Act 2000 and the code of behaviour guidelines issued by the NEWB, the Board of Management of St. Fiacc's NS has **adopted** the following anti-bullying policy within the framework of the school's overall code of behaviour. This policy fully complies with the requirements of the Anti-Bullying Procedures for Primary and Post-Primary Schools which were published in September 2013.
- 2. The Board of Management recognises the very serious nature of bullying and the negative impact that it can have on the lives of pupils and is therefore fully committed to the following **key principles of best practice** in preventing and tackling bullying behaviour:
- (a) A positive school culture and climate which
 - is welcoming of difference and diversity and is based on inclusivity;
 - encourages pupils to disclose and discuss incidents of bullying behaviour in a non-threatening environment; and
 - promotes respectful relationships across the school community;

See Table A (6.1.5.Procedures): Key elements of a positive school culture and climate, and also Appendix 2: Practical tips for building a school culture and climate.

- (b) Effective leadership
- (c) A school-wide approach
- (d) A shared understanding of what bullying is and its impact
- (e) Implementation of education and prevention strategies (including awareness raising measures) that-
 - build empathy, respect and resilience in pupils; and
 - explicitly address the issues of cyber-bullying and identity-based bullying including in particular, homophobic and transphobic bullying;
 - effective supervision and monitoring of pupils;
- (f) Effective supervision and monitoring of pupils
- (g) Supports for staff
- (h) Consistent recording, investigation and follow up of bullying behaviour (including use of established intervention strategies); and
- (i) On-going evaluation of the effectiveness of the anti-bullying policy.

3. In accordance with the *Anti-Bullying Procedures for Primary and Post-Primary Schools* bullying is defined as follows:

Bullying is unwanted negative behaviour, verbal, psychological or physical conducted, by an individual or group against another person (or persons) and which is repeated over time.

The following types of bullying behaviour are included in the definition of bullying:

- deliberate exclusion, malicious gossip and other forms of relational bullying,
- cyber-bullying (See also St. Fiacc's Anti-Cyber Bullying Policy)and
- identity-based bullying such as homophobic bullying, racist bullying, bullying based on a
 person's membership of the Traveller community and bullying of those with disabilities or
 special educational needs.

Isolated or once-off incidents of intentional negative behaviour, including a once-off offensive or hurtful text message or other private messaging, do not fall within the definition of bullying and should be dealt with, as appropriate, in accordance with the school's code of behaviour.

However, in the context of this policy, placing a once-off offensive or hurtful public message, image or statement on a social network site or other public forum where that message, image or statement can be viewed and/or repeated by other people will be regarded as bullying behaviour.

Negative behaviour that does not meet this definition of bullying will be dealt with in accordance with the school's code of behaviour.

Additional information on different types of bullying is set out in Section 2 of the *Anti-Bullying Procedures for Primary and Post-Primary Schools.*

4. The relevant teacher(s) for investigating and dealing with bullying is (are) as follows: (see Section 6.8 of the Anti-Bullying Procedures for Primary and Post-Primary Schools):

Refer to section 6.8.3, and 6.8.4 in the Procedures.

The Relevant Teachers in this school are:

Principal: Mr John Brennan

Deputy Principal: Mr Pauric Bolton

All class teachers

Any teacher may act as a relevant teacher if circumstances warrant it.

5. The education and prevention strategies (including strategies specifically aimed at cyber-bullying, homophobic and transphobic bullying) that will be used by the school are as follows (see Section 6.5 of the *Anti-Bullying Procedures for Primary and Post-Primary Schools*):

Education and prevention strategies

School-wide approach

- A school-wide approach to the fostering of respect for all members of the school community.
- The promotion of the value of diversity to address issues of prejudice and stereotyping, and highlight the unacceptability of bullying behaviour.
- The fostering and enhancing of the self-esteem of all our pupils through both curricular and extracurricular activities. Pupils will be provided with opportunities to develop a positive sense of self-worth through formal and informal interactions.
- Whole staff professional development on bullying to ensure that all staff develops an awareness of what bullying is, how it impacts on pupils' lives and the need to respond to it-prevention and intervention.
- Professional development with specific focus on the training of the relevant teacher(s)
- School wide awareness raising and training on all aspects of bullying, to include pupils, parent(s)/guardian(s) and the wider school community.
- Supervision and monitoring of classrooms, corridors, school grounds, school tours and extracurricular activities. Non-teaching and ancillary staff will be encouraged to be vigilant and report issues to relevant teachers. Supervision will also apply to monitoring student use of communication technology within the school.

- Involvement of the student council in contributing to a safe school environment e.g. yard monitors student support activities that can help to support pupils and encourage a culture of peer respect and support.
- Development and promotion of Anti-Bullying posters/slogans for the school to be displayed publicly in common areas of the school.
- The school's anti-bullying policy is discussed with pupils and all parent(s)/guardian(s)s are given a copy as part of the Code of Behaviour on enrolment.
- The implementation of regular whole school awareness measures e.g. a dedicated notice board in the school; annual Friendship Week, annual student surveys; regular school assemblies by principal, deputy principal, year heads.
- Encourage a culture of telling, with particular emphasis on the importance of bystanders. In that way pupils will gain confidence in 'telling'. This confidence factor is of vital importance. It should be made clear to all pupils that when they report incidents of bullying they are not considered to be telling tales but are behaving responsibly.
- Ensuring that pupils know who to tell and how to tell, e.g.:
 - Direct approach to teacher at an appropriate time, for example after class.
 - o Hand note up with homework.
 - o Make a phone call to the school or to a trusted teacher in the school.
 - o Anti-bully/message box.
 - o Get a parent(s)/guardian(s) or friend to tell on your behalf.
 - o Administer a confidential questionnaire once a term/year to all pupils.
 - o Ensure bystanders understand the importance of telling if they witness or know that bullying is taking place.
- Identify clear protocols to encourage parent(s)/guardian(s) to approach the school if they
 suspect that their child is being bullied. The protocol should be developed in consultation
 with parents.
- The development of an Acceptable Use Policy in the school to include the necessary steps to ensure that the access to technology within the school is strictly monitored, as is the pupils' use of mobile phones.

Implementation of curricula

- The full implementation of the SPHE curriculum and the RSE and Stay Safe Programmes.
- Continuous Professional Development for staff in delivering these programmes.
- School wide delivery of lessons on bullying from evidence based programmes, The Walk Tall Programme, Stay Safe (whole school year 1); FUSE (2nd 5th Year 2);
- Delivery of the Garda SPHE Programmes at primary level. These lessons, delivered by Community Gardai, cover issues around personal safety and cyber-bullying
- The school will specifically consider the additional needs of SEN pupils with regard to programme implementation and the development of skills and strategies to enable all pupils to respond appropriately.
- The school will implement the advice in "Sexual Orientation advice for schools" (RSE Primary, see booklet).
- Utilising the School Completion Programme with targeted pupils to improve prosocial behaviour through in school, after school and holiday period programmes.
- Constant focus on Group work throughout the curriculum and teaching aggressive pupils to manage their emotions during PE and participating on school teams.
- Play Zones established in the playground to ensure that classes are grouped for playtime, thus ensuring that the younger pupils and older pupils are playing separately.
- Explicitly addressing homophobic bullying during RSE in 5th /6th classes.

- Addressing cyber bullying by teaching the Webwise/My Selfie lessons on alternating years in and celebrating Safer Internet Day.
- Supervision and monitoring of pupil activities and games, in class, in changing rooms and particularly in the school yard, where bullying is most likely to occur
- Constant articulation of the school motto which espouses truth and courage.
- Modelling of respectful behaviour by all staff. Consistently tackling derogatory language.
- Identifying "hotspots" where supervision is less structured.
- Extra curricular activities such as basketball, football, table quizzes, hurling, rounders, school
 choir & banna ceoil to be provided, encouraging sportsmanship, team work and loyalty.
- Involvement of the Parents' Association in organising events such as parent workshops and sponsoring of prizes for anti-bullying poster competition.

St Fiacc's has formally modified Child Protection Procedures for Primary and Post Primary Schools 2017

Acceptable Use Policy

The practices outlined in the Acceptable Use policy for safe use of the Internet must reflect the requirements of the anti-bullying procedures and must be adhered to at all times. This also applies to the use of other technological devices, including mobile devices.

Health & Safety

Our school has a written anti-bullying policy which has been circulated to all parents and staff to show to all children, parents and staff that bullying, either physical or verbal, is not tolerated either in school or on the way to or from school or on school bus. Moreover, everyone will be expected to ensure that bullying does not happen and will have a responsibility to tell – emphasising that this is not 'telling tales'

SPHE

Implementation of SPHE / RSE:

Circulars 22/2010 (Primary) and 23/2010 (Post Primary) "Social Personal and Health Education, Best Practice Guidelines" outline the approaches to the consistent implementation of the SPHE curriculum including RSE.

Circular 37/2010 (Post Primary) 'Relationships and Sexuality Education' outlines the obligations of Post Primary schools to:

- develop a school policy in regard to Relationships and Sexuality Education; and
- implement a programme in this area as an element of Social Personal and Health Education at junior cycle, and as an RSE programme in senior cycle.

Implementation of the Stay Safe Programme (Primary)

Circular 65/2011 'Child Protection Procedures for Primary and Post-Primary schools' requires all primary schools to fully implement The Stay Safe programme. Code of Behaviour

The anti-bullying policy forms part of the overall school Code of Behaviour and the standards of behaviour that are outlined in the Code of Behaviour apply to the Anti-Bullying Policy of St Fiacc's.

Anti-CyberBullying Policy

This policy forms part of both the anti-bullying and code of behaviour policies respectively.

Remote learning Policy; ICT Policy and St Fiacc's Digital Learning Framework

6. The school's procedures for investigation, follow-up and recording of bullying behaviour and the established intervention strategies used by the school for dealing with cases of bullying behaviour are as follows (see Section 6.8 of the Anti-Bullying Procedures for Primary and Post-Primary Schools):

6.8.9. Procedures for Investigating and Dealing with Bullying

The primary aim in investigating and dealing with bullying is to resolve any issues and to restore, as far as is practicable, the relationships of the parties involved (rather than to apportion blame);

The school's procedures must be consistent with the following approach.

Every effort will be made to ensure that all involved (including pupils, parent(s)/guardian(s)) understand this approach from the outset.

Reporting bullying behaviour

- Any pupil or parent(s)/guardian(s) may bring a bullying incident to any teacher in the school.
- All reports, including anonymous reports of bullying, will be investigated and dealt with by the relevant teacher.
- Teaching and non-teaching staff such as secretaries, special needs assistants (SNAs), caretakers, cleaners must report any incidents of bullying behaviour witnessed by them, or mentioned to them, to the relevant teacher;

Investigating and dealing with incidents: Style of approach

- In investigating and dealing with bullying, the (relevant)teacher will exercise his/her professional judgement to determine whether bullying has occurred and how best the situation might be resolved;
- Parent(s)/guardian(s) and pupils are required to co-operate with any investigation and assist
 the school in resolving any issues and restoring, as far as is practicable, the relationships of
 the parties involved as quickly as possible. St. Fiacc's will address bullying behaviour that
 occurs elsewhere if it has a negative impact within the school.
- Teachers should take a calm, unemotional problem-solving approach.
- Where possible incidents should be investigated outside the classroom situation to ensure the privacy of all involved;
- All interviews should be conducted with sensitivity and with due regard to the rights of all
 pupils concerned. Pupils who are not directly involved can also provide very useful
 information in this way;
- When analysing incidents of bullying behaviour, the relevant teacher should seek answers to questions of what, where, when, who and why. This should be done in a calm manner, setting an example in dealing effectively with a conflict in a non-aggressive manner;
- If a group is involved, each member should be interviewed individually at first. Thereafter, all
 those involved should be met as a group. At the group meeting, each member should be
 asked for his/her account of what happened to ensure that everyone in the group is clear
 about each other's statements;
- Each member of a group should be supported through the possible pressures that may face
 them from the other members of the group after the interview by the teacher;
 It may also be appropriate or helpful to ask those involved to write down their account of
 the incident(s)
- In cases where it has been determined by the relevant teacher that bullying behaviour has
 occurred, the parent(s)/guardian(s) of the parties involved should be contacted at an early
 stage to inform them of the matter and explain the actions being taken (by reference to the
 school policy). The school should give parent(s)/guardian(s) an opportunity of discussing

- ways in which they can reinforce or support the actions being taken by the school and the supports provided to the pupils;
- Where the relevant teacher has determined that a pupil has been engaged in bullying behaviour, it should be made clear to him/her how he/she is in breach of the school's anti-bullying policy and efforts should be made to try to get him/her to see the situation from the perspective of the pupil being bullied;
- It must also be made clear to all involved (each set of pupils and parent(s)/guardian(s)) that
 in any situation where disciplinary sanctions are required, this is a private matter between
 the pupil being disciplined, his or her parent(s)/guardian(s) and the school;

Follow up and recording

- In determining whether a bullying case has been adequately and appropriately addressed the relevant teacher must, as part of his/her professional judgement, take the following factors into account:
 - Whether the bullying behaviour has ceased;
 - Whether any issues between the parties have been resolved as far as is practicable;
 - -Whether the relationships between the parties have been restored as far as is practicable;
 - -Any feedback received from the parties involved, their parent(s)/guardian(s)s or the school Principal or Deputy Principal
- Follow-up meetings with the relevant parties involved should be arranged separately with a
 view to possibly bringing them together at a later date if the pupil who has been bullied is
 ready and agreeable.
- Where a parent(s)/guardian(s) is not satisfied that the school has dealt with a bullying case in accordance with these procedures, the parent(s)/guardian(s) must be referred, as appropriate, to the school's complaints procedures.
- In the event that a parent(s)/guardian(s) has exhausted the school's complaints procedures and is still not satisfied, the school must advise the parent(s)/guardian(s) of their right to make a complaint to the Ombudsman for Pupils.

Recording of bullying behaviour

It is imperative that all recording of bullying incidents must be done in an objective and factual manner.

The school's procedures for noting and reporting bullying behaviour are as follows:

Informal- pre-determination that bullying has occurred

- All staff must keep a written record of any incidents witnessed by them or notified to them. All incidents must be reported to the relevant teacher
- While all reports, including anonymous reports of bullying must be investigated and dealt with by the relevant teacher, the relevant teacher must keep a written record of the reports, the actions taken and any discussions with those involved regarding same
- The relevant teacher must inform the principal of all incidents being investigated.

Informal-determination that bullying has occurred

 If it is established by the relevant teacher that bullying has occurred, the relevant teacher must keep appropriate written records which will assist his/her efforts to resolve the issues and restore, as far as is practicable, the relationships of the parties involved. • The school in consultation with the relevant teacher/s has a protocol for the storage of all records retained by the relevant teacher. Records will be added to the pupil file with a digital record of the investigation added to child's documents on Aladdin.

Formal-Appendix 3 (From DES Procedures)

The relevant teacher must use the recording template at **Appendix 3** to record the bullying behaviour in the following circumstances:

- a) in cases where he/she considers that the bullying behaviour has not been adequately and appropriately addressed within 20 school days after he/she has determined that bullying behaviour occurred; and
- b) St. Fiacc's NS has decided as part of its anti-bullying policy that bullying behaviour must be recorded and reported immediately to the Principal or Deputy Principal as applicable using the Appendix 3 form.

When the recording template is used, it must be retained by the relevant teacher in question and a copy maintained by the principal. Due consideration needs to be given to where these records are kept, who has access to them, and how long they will be retained. On conclusion of the investigation the form is filed in the Principal's office.

Established intervention strategies

- Teacher interviews with all pupils
- Negotiating agreements between pupils and following these up by monitoring progress. This
 can be on an informal basis or implemented through a more structured mediation process
- Working with parent(s)/guardian(s)s to support school interventions
- No Blame Approach
- Circle Time
- Restorative interviews
- Restorative conferencing
- Implementing sociogram questionnaires
- Peer mediation where suitable training has been given

The Procedures mention the following intervention strategies and reference Ken Rigby;

- The traditional disciplinary approach
- Strengthening the victim
- Mediation
- Restorative Practice
- The Support Group Method
- The Method of Shared Concern

7. The school's programme of support for working with pupils affected by bullying is as follows (see Section 6.8.16 of the Anti-Bullying Procedures for Primary and Post-Primary Schools):

- All in-school supports and opportunities will be provided for the pupils affected by bullying to participate in activities designed to raise their self-esteem, to develop friendships and social skills and build resilience e.g.
 - Pastoral care system
 - Year head system
 - Care team
 - Group work such as circle time
- If pupils require counselling or further supports the school will endeavour to liaise with the appropriate agencies to organise same. This may be for the pupil affected by bullying or involved in the bullying behaviour.
- Pupils should understand that there are no innocent bystanders and that all incidents of bullying behaviour must be reported to a teacher.

8. Supervision and Monitoring of Pupils

The Board of Management confirms that appropriate supervision and monitoring policies and Practices are in place to both prevent and deal with bullying behaviour and to facilitate early intervention where possible.

- There are agreed appropriate monitoring and supervision practices in the school.
- Bullying danger spots have been identified.
- Pupils have been consulted in the identification of these danger spots.
- The student support/care structures such as care team, year heads, HSCL, Learning Support teachers
 will remain vigilant to bullying and will support measures to counteract bullying behaviour through
 regular communication with class teachers.
- Pupils, in particular senior pupils, will be utilised as a resource to assist in counteracting bullying. A
 yard monitoring system will be set up and a mentoring/buddy system will be considered.
- The voice of the student council will be sought in relation to how bullying can be addressed.
- In relation to Acceptable Use Policy in the school are the following issues are addressed:
 - o All Internet sessions are supervised by the teacher
 - The school regularly monitors pupils' Internet usage.
 - Pupils will only use approved school accounts for email purposes use these only under teacher supervision.

(Note that the Schools Broadband Programme has blocked all social networking sites on the basis that they waste time and take up too much of the bandwidth which is been provided for educational purposes only)

9. Prevention of Harassment

The Board of Management confirms that the school will, in accordance with its obligations under equality legislation, take all such steps that are reasonably practicable to prevent the sexual harassment of pupils or staff or the harassment of pupils or staff on any of the nine grounds specified i.e. gender including transgender, civil status, family status, sexual orientation, religion, age, disability, race and membership of the Traveller community.

- 10. This policy was adopted by the Board of Management on $\frac{16/1/202}{2}$
- 11. This policy has been made available to school personnel, published on the school website and provided to the Parents' Association. A copy of this policy will be made available to the Department and the patron if requested.
- 12. This policy and its implementation will be reviewed by the Board of Management once in every school year. Written notification that the review has been completed will be made available to school personnel, published on the school website and provided to the Parents' Association (where one exists). A record of the review and its outcome will be made available, if requested, to the patron and the Department.

SEXUAL ORIENTATION – ADVICE FOR PRIMARY SCHOOLS GENERAL POINTS

- Schools can foster a culture that is accepting of difference. This can be expressed where appropriate, rather than making the assumption that everyone understands it.
- An integral part of RSE is learning to respect others; this will include respect for families or individuals who are different from the norm.
- The Equal Status Acts 2000 and 2004 provide protection against discrimination on nine grounds, one of which is sexual orientation. The Acts oblige those who manage schools to protect students and staff from discrimination or sexual harassment.
- If children are using the word 'gay' in a negative fashion it is better not to ignore it in the hope that it will go away. The same advice would apply for any instance of bullying.
- Schools are advised to develop a strategy for responding to children who have
 questions about sexual orientation or who are taunting others about being gay. This
 should be done in the context of the school's ethos and RSE policy and with the
 awareness that primary school children are probably too young to engage in any
 detailed discussion of sexual identity.

PRACTICAL SUGGESTIONS

- Depending on the context and the age group of the children, the teacher could ask a child or a class group what they mean by the word 'gay'
- A school could decide on a response to this question, such as 'The majority of people are attracted to people of the opposite sex. This is called being heterosexual.
 Some people are attracted to people of the same sex. This is called being homosexual or gay.'
- To give factual information like this in an open and straightforward way may help to remove the secrecy which is necessary for any bullying to flourish. Homophobic insults should be treated in exactly the same way as racist or other insults – the teacher can calmly explain to the child that such insults are hurtful to the other person and are not acceptable.

Appendix 2 Practical tips for building a positive school culture and climate

The following are some practical tips for immediate actions that can be taken to help build a positive school culture and climate and to help prevent and tackle bullying behaviour.

- Model respectful behaviour to all members of the school community at all times.
- Explicitly teach pupils what respectful language and respectful behaviour looks like, acts like, sounds like and feels like in class and around the school.
- Display key respect messages in classrooms, in assembly areas and around the school. Involve pupils in the development of these messages.
- Catch them being good notice and acknowledge desired respectful behaviour by providing positive attention.
- Consistently tackle the use of discriminatory and derogatory language in the school this includes homophobic and racist language and language that is belittling of pupils with a disability or SEN.
- Give constructive feedback to pupils when respectful behaviour and respectful language are ignored.
- Have a system of encouragement and rewards to promote desired behaviour and compliance with the school rules and routines.
- Explicitly teach pupils about the appropriate use of social media.
- Positively encourage pupils to comply with the school rules on mobile phone and internet use.
- Follow up and follow through with pupils who ignore the rules.
- Actively involve parents and/or the Parents' Association in awareness raising campaigns around social media.
- Actively promote the right of every member of the school community to be safe and secure in school.
- Highlight and explicitly teach school rules in pupil friendly language in the classroom and in common areas.
- All staff can actively watch out for signs of bullying behaviour.
- Ensure there is adequate playground/school yard/outdoor supervision.
- School staff can get pupils to help them to identify bullying "hot spots" and "hot times" for bullying in the school. Hot spots tend to be in the playground/school yard/outdoor areas, changing rooms, corridors and other areas of unstructured supervision. Hot times again tend to be times where there is less structured supervision such as when pupils are in the playground/school yard or moving classrooms.
- Support the establishment and work of student councils.

TEN ACTIONS TO PROMOTE THE WELL-BEING OF A SCHOOL COMMUNITY

- 1. Developing and maintaining a safe, caring culture and climate within the school where a sense of belonging and connectedness is fostered.
- 2. Building positive relationships between teachers and children to promote participation, social interaction and pro-social behaviour.
- 3. Adopting a whole-school approach to health promotion, where health is promoted by all and not just by a few members of staff.
- 4. Actively involving children, their parents/guardians and the wider community in developing and implementing school policies to support mental health and health promotion.
- 5. Supporting and implementing a well-planned, consistent and integrated SPHE curriculum to enable children enhance their coping, resilience, communication, conflict resolution, and problem-solving skills.
- 6. Developing whole-school systems and structures to support the early identification of children experiencing social, emotional, behavioural or learning difficulties.
- 7. Actively involving, supporting and encouraging children's participation in extra-curricular activities.
- 8. Fostering a whole-school ethos that accepts and values diversity within the pupil and staff population.
- 9. Providing easy access to information for pupils and staff on supports available to them within the school and wider community.
- 10. Facilitating access to continuing professional development for school staff on the promotion of the mental health and well-being of children.
