Photographs of Students: The school maintains a database of photographs of school events held over years. It has become customary to take photos of students engaged in activities and events in the interest of creating a pictorial as well as historical record of life at the school. Photographs may be published on our school website or in brochures, yearbooks, newsletters, local and national newspapers and similar school-related productions. In the case of website photographs, student names will not appear on the website as a caption to the picture. If you or your child wish to have his/her photograph removed from the school website, brochure, yearbooks, newsletters etc. at any time, you should write to the school principal.
